Re: *United States v. McMahon, et al.*
Docket No. 21-cr-265

Dear Judge Chen:

As Your Honor is aware, this Firm represents defendant Michael McMahon in the above-captioned matter. Please be advised that at the present time, Mr. McMahon does not propose any instructions in addition to those requested by the Government. Of course, Mr. McMahon reserves his right to request jury instructions at the appropriate time, should issues arise that require that he do so.

That said, Mr. McMahon is in receipt of the Government's proposed instructions and, as he has informed the Government, objects to certain language in Government Requests 2, 5, 7, 14, 15, 16, 17, 18, 19, 20 and 22. In addition, Mr. McMahon proposed certain additional language in Government Requests 14, 16, 18 and 19, which the Government declined to include; Mr. McMahon objects to those instructions on that basis as well. Mr. McMahon will, of course, be prepared to argue his position with regard to these jury instruction at the appropriate time during trial, or whenever Your Honor wishes.

Thank you for your kind consideration of this matter.

Respectfully submitted,

s/ Lawrence Lustberg
